

Register and login pages.

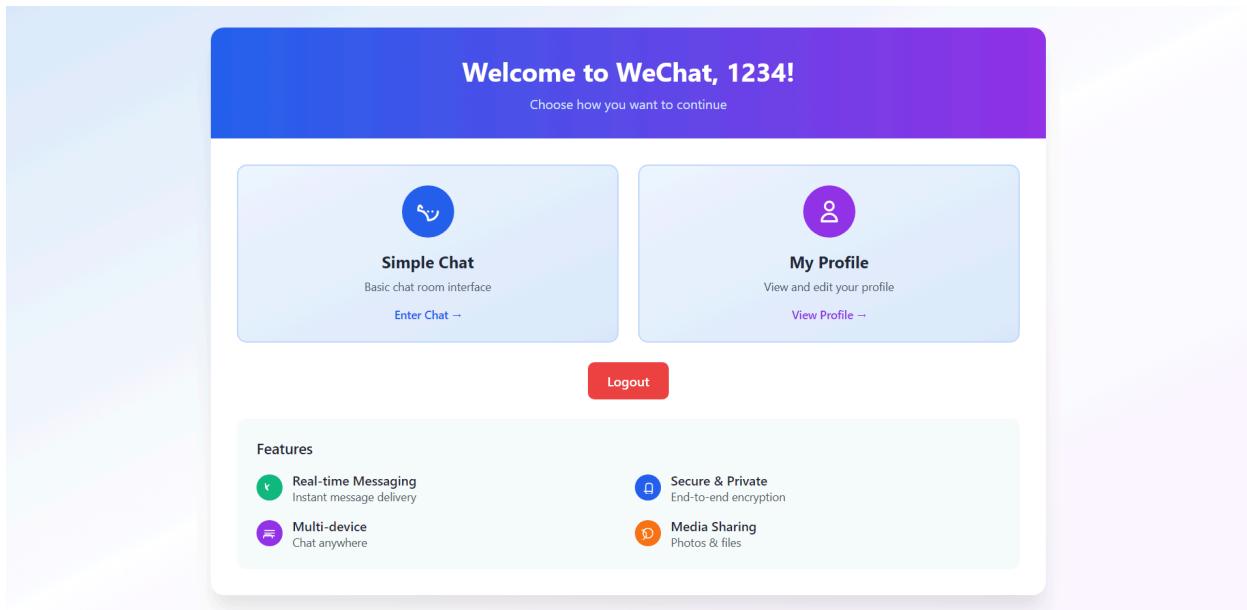

The screenshot shows a web browser window with the URL `localhost:5173/register` in the address bar. The page title is "Create Account" with the subtitle "Join WeChat today". It contains three input fields: "Name" (placeholder "Enter your name"), "Email" (placeholder "Enter your email"), and "Password" (placeholder "Create a password"). A blue "Create Account" button is at the bottom. Below the button, a link says "Already have an account? [Sign in](#)". The background is light green.

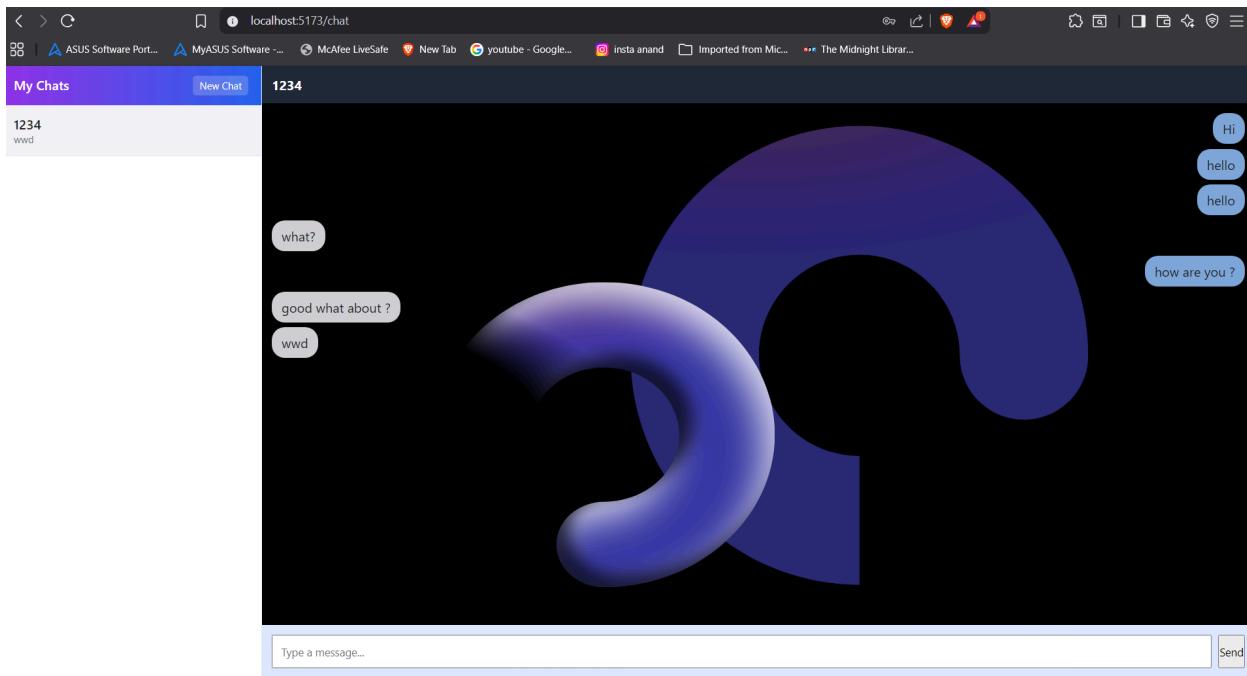

The screenshot shows a web browser window with the URL `localhost:5173/login` in the address bar. The page title is "Welcome Back" with the subtitle "Sign in to your WeChat account". It contains two input fields: "Email" (placeholder "Enter your email") and "Password" (placeholder "Enter your password"). A blue "Sign In" button is at the bottom. Below the button, a link says "Don't have an account? [Sign up](#)". The background is light blue.

A simple homepage just for future development and improvement as a personal project -

Chat working .
